

Story Telling Gilbert Bayes

1 **Draw** 20 past 3 on the clock. Make sure you draw a **big hand** and a **little hand**.

2 **Choose** one corner from the square around the clock.

3 In your chosen quarter, you can **draw** your **favourite season**, spring, summer, autumn or winter.

4 **Think** about what you **love** about the season and **try to draw** it.
